

SPECIFICATION FOR ZHONGTONG BUS LCK6820GH

Overall specification	Overall dimension（mm）	9200	Engine	Engine	WP7H245E50
	Overall width（mm）	2600		Manufactuerer	Weichai
	Overall height（mm）	3280		Engine position	Rear mounted
	Body inside height（mm）	2120		Model	In-line,6 cylinders, inter-cooling, turbo
	Payload（tons）	3.1		Max power (KW)	180
	Max G.V.W.kg	13500		Max torque (N.m)	950
	Seating capacity（person）	40+1		Displacement(L)	6.8
	Max. speed（km/h）	80		Fuel	Diesel
	Model year	2025		Emision standard	Euro V
	item			Standard	
	Gear box	Manual, 5 speed+1 reverse			
	Clutch	Single, drier			
	Axle	Front axle: 4.5T, rear axle: 9.0T			
	Suspension	Leaf spring			
	Steering	Hydraulic power steering			
	Brake	ABS, front and rear drum break, dual air circuit brake, auto slack adjuster, spring energy storage parking brake			
	Fuel tank	200L			
	Tyre	9R22.5 tubeless tires (6+1), single front - double rear			
	Battery	24V/165Ah			
B U S B O D Y	Body construction	Non-integral structure			
	Door & door pump	Front and middle door, folding, central locking, emergency manual valve, emergency door in left side			
	Window, windscreen	Front window with rubber-laminated windscreen, 1/3 upper movable window, tinted glass			
	Rear mirror system	Manual reversing mirror (movable mirrors), inner mirror, reversing monitor			
	Wiper	Front windshield			
	Media syste	Mp3 player			
	A/C system	Roof mounted A/C 28000Kcal/h（32.5kw）, central A/C air outlets have a Volume Damper to control the air flow			
	Heatig system	Yes			
	Vehicle Information Display	Regular			
	Floor	Anti-slip material			
	Defrost system	Windshield glass defroster			
	Lamp	Interior roof lamps, step lamps			
	Seat	40 passenger seats with safety belt, 3+2 deploy, sponge with fabric, driver seat with safety belt.			
	Curtains	Fabric side curtains for all seats
