SPECIFICATION FOR ZHONGTONG BUS LCK6128H

Overall specification	Overall dimension (mm)	12490	Engine	Engine model	ISL9.5-385E51A
	Overall width (mm)	2550		Manufacturer	Cummins
	Overall height (mm)	3880		Engine position	Rear
	Body inside height (mm)	1950		Horse Power	385
	Max G.V.W.kg	19000		Fuel	Diesel
	Seats capacity	49+1+1		Emission standard	Euro V
	Max. speed (km/h)	120		Max torque (N.m/rpm)	1550
	Luggage cabin (m³)	11		Displacement (L)	9.5
	Model year	2025			
	Items			Specification	
Chassis	Chassis model	Zhongtong			
	Gear box	FAST>manual, with retarder			
	Clutch	Sachs, Φ430 pull-style clutch			
	Front axle	6.5T			
	Rear axle	13T			
	Suspension	Air suspension, 2/4			
	Steering	BOSCH power assistant steering			
	Brake	Front disc and rear drum brake, ABS+ASR, automatic gap adjustable			
	Fuel tank	400L+400L			
	Tyre	295/80R22.5 (Goodyear) tubeless tyre, with one spare tire (6+1)			
	Battery /dynamo	200Ah /150A×2			
	Other	ATS			
Bus specification	Body construction	Monocoque, cathodic electrophoresis			
	Interior trim	Luxury Special heat-resistance molding inner trim, luxury luggage rack, concave floor			
	Doors	Front Pneumatic Outer-Swing Door, Remote Control; Middle Pneumatic Outer-Swing Door , Remote Control;			
	Window, windscreen	Front laminating glass, rear windshield ; Driver window: pull-push window; Side window: all fully closed side window, Double safety glass, 30% dark glass; Have black color glass two (2) emergency exits with ventilation on the roof.			
	Rear mirror system	Electric controlled reverse mirror, electronic rearview mirror, ADAS			
	Monitor system	Reversing monitor system with 7 inch screen			
	Defroster	Water circuit defroster			
	Heating system	Yes			
	A/C system	34000kcal/h, Bitzer compressor			
	Video system	Mp5 player+ fixing 19 inches LCD in front, and 19 inches LCD fixed on the toilet			
	Lamps	New type combination lamp front and rear, step lamp, top lights, driver roof lamp, independent elliptic dome light,reading lamp, LED strip on the inner corridor and steps.
